His access to the facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and will be denied and/or

limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the facility, including but not limited, to those set forth in the Complaint.

3. Defendant, Highpark Realty. LLC, is a limited liability company and transacts business in the State of New York and within this judicial district. 7. Plaintiff has suffered and continues to suffer direct and indirect injury as a result of the ADA violations that exist at the Facility.

8. All events giving rise to this lawsuit occurred in the State of New York. Venue is proper in this Court as the premises are located in the Eastern District.
